TOP SOIL

We have large quantities of river bottom silt and leafmold humus, nearly all organic material recommended for lawns and in the planting of all types of trees and shrubs. It will pay local landscapers to use it. The price is low with your own truck.

EXPLANATION OF PRICE LIST

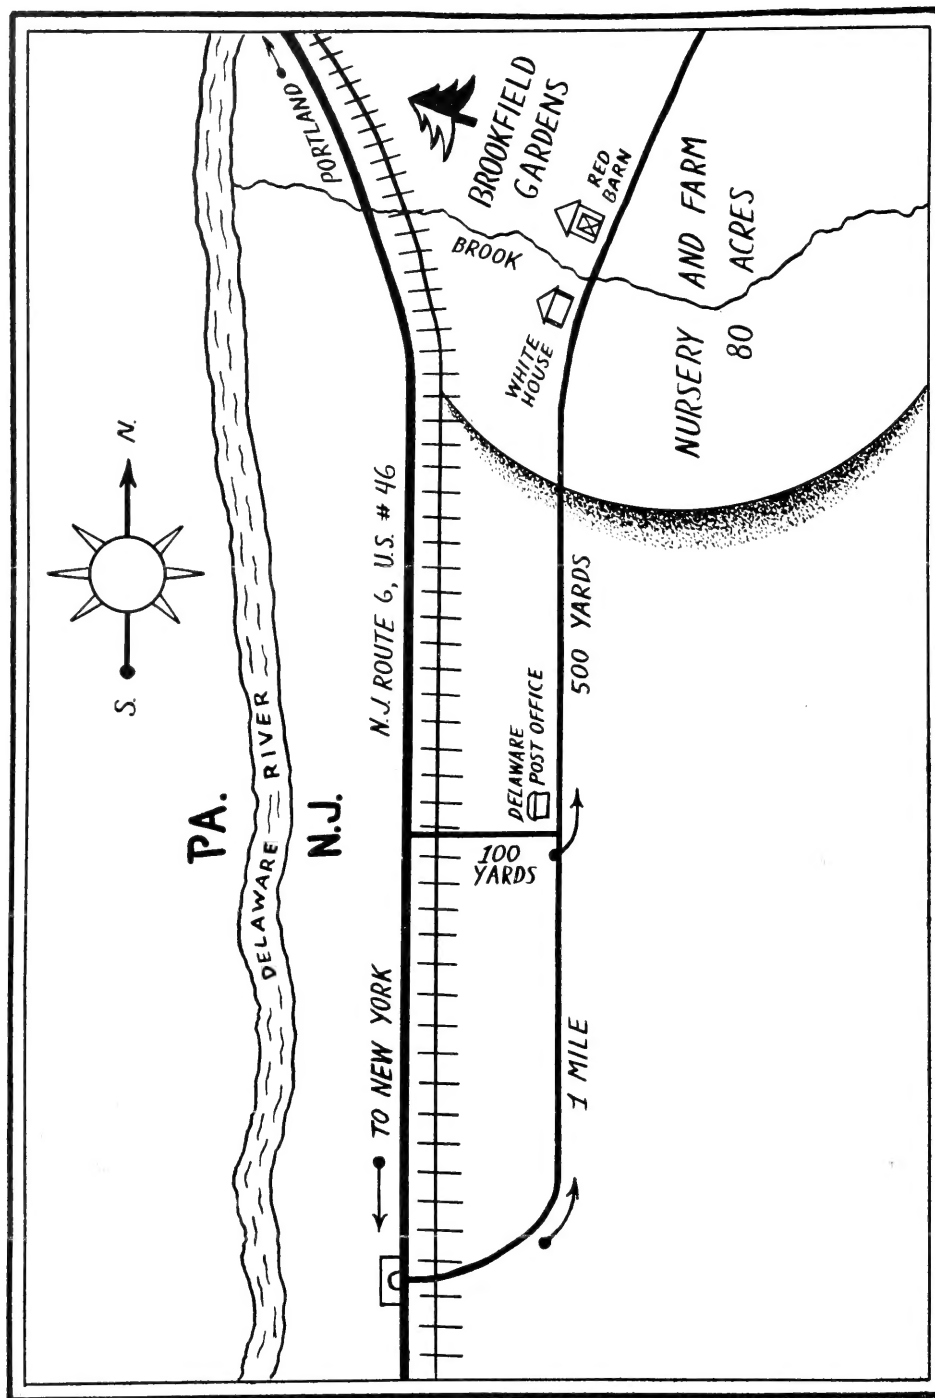

X	Means once transplanted and root-pruned.
XX	Twice transplanted and root-pruned.
XXX	Three times transplanted and root-pruned.
B & B	Balled and burlapped. Means dug with solid ball of earth, wrapped in burlap. Such plants are usually too heavy to ship economically. They are sold at the nursery only.

PACKING AND SHIPPING

We ship by Express unless otherwise specified, cost of express collect. Packing is free and properly done. All lining-out stock is freshly dug, the roots puddled in mud, then packed in Sphagnum Moss. We pay special attention to the packing of Evergreens to insure their arrival in good condition.
